**2023 DECORATED AND LIGHTED BOATS PARADES**  
Posted by Lorena and Leonard Landon | Nov 28, 2023

Lighted boats parades and gatherings are the perfect activity for boaters who want to keep sailing year-round. Boaters can watch the shimmering light displays while at anchor, while moored at a marina, or be one of the decorated boats that make their way past communities and harbors...

## HISTORIC VESSEL FROM NWMC – CENTER STAGE IN MUSEUM EXHIBIT

Posted by Waggoner Guest | Nov 28, 2023

A historic boat from Northwest Maritime Center's collection is getting its time in the limelight with a new exhibit at Seattle's Museum of History & Industry (MOHAI). The *Husky Challenger*, an eight-person wooden rowing shell, is showcased in the "Pulling Together: A Brief History of Rowing in Seattle" exhibit . . .

## PROTECT AND BOOST YOUR PROP WITH CRYSTAL PROP

Posted by Lorena and Leonard Landon | Nov 28, 2023

A new product, called Crystal Prop, is a long-lasting paint designed specifically for use on propellers, shafts, struts, and other metallic underwater surfaces. When applied to the prop, this product creates a smooth surface, which decreases water resistance...
